Size range:	from 36 to 47	
Technical File:	<b>DC-9842/E</b>	
Test report:	<b>RCT n° 3735034/E</b>	

## EU Type Examination Certificate

Date: 2018/09/20

n. **788183801/OE**

Validity:  
2023/09/19

Functions and performance levels:

**Requirements according to EN 13634:2017:** all mandatory ones, among which:

Height of upper	level <b>2</b>
Impact abrasion resistance of the upper:	level <b>2</b>
Impact cut resistance of the upper:	level <b>2</b>
Transverse rigidity of the whole footwear:	level <b>2</b>

NOTE: the Technical Standard provides 2 performance levels with level 2 meaning the higher performance.

Marking:

on a stitched label and displaying the following information:

- **CE Marking;**
- Trademark of the Manufacturer;
- item designation (article name);
- pictogram to indicate the intended use (motorcycling) + nr. and year of the reference Standard + performance levels achieved during laboratory tests;
- size indication;
- date of production (month/year);
- pictogram "i in the booklet" instructing to read the User Manual;
- additional info: "Made in...".

NOTE: the Technical File contains a more detailed description of the PPE (material, method of assembly, photographs or drawings), performance data, safety functions and level of protection, elements of conformity to the basic and supplementary requirements. The Technical File is integral part of the present Certification, which has to be kept available by the applicant to be forwarded - upon request - to the entitled person (supervising body, Controlling Officer).
